

Volume No. 1, and Second Revised Volume No. 2 the tariff sheets listed in Appendix A to the filing, to be effective May 1, 1997.

WIC states on November 1, 1996 it filed in Docket No. RP97-62-000 pro forma tariff sheets to comply with Order No. 587. As part of WIC's filing its proposed revisions to its Volume No. 1 tariff to comply with Order No. 587 standards. However, in the Commission's order on WIC's compliance filing (Compliance Order) issued January 16, 1997, the Commission stated WIC must remove all proposed pro forma tariff changes to its Volume No. 1 tariff as this tariff is only for service under Part 157 of the Commission's regulations. The Compliance Order stated WIC could file these proposed changes separately as a limited section 4 filing. The Compliance Order further stated WIC's proposed new Headstation Pooling Rate Schedule in Volume No. 2 goes beyond the scope of Order No. 587 and should also be addressed in a limited section 4 filing. WIC states this is the purpose of this filing.

WIC states that copies of this filing have been served on WIC's jurisdictional customers and public bodies.

Decision List No. 20 Week of February 10 through February 14, 1997

Request for Exception

*Nugent Motor Company, 2/11/97, VEE-0033*

Nugent Motor Company (Nugent) filed an Application for Exception requesting relief from the requirement that it file the Energy Information Administration form entitled "Resellers'/Retailers' Monthly Petroleum Product Sales Report" (Form EIA-782B). The DOE found that even though one clerk worked overtime to complete the form, the filing requirement did not constitute a special hardship, inequity or unfair distribution of burdens. Therefore, the Application was denied.

#### **Refund Application**

*Gulf Oil Corp./Bounds Oil Company, 2/14/97, RF300-289*

A refund of \$2,221 including interest is awarded in the Gulf Oil Corporation (Gulf) special refund proceeding to the heir of a partner of Bounds Oil Company (BOC), a business that purchased Gulf products. The application was previously denied due to inadequate documentation of the partnership and the heir's ownership interest. Here, the applicant substantiated that he was the sole heir of a partner who owned fifty percent of BOC. The applicant was therefore granted a refund equal to fifty percent of BOC's allocable share of the Gulf refund, plus applicable interest.
